R.E.M.

10/8/84

From the opening of "Radio Free Europe" when REM's boundless ENERGY & talent X-ploded, they showed A² (ANN ARBOR) that they are 4 REAL. All of the critical success that they have garnered only underscores the sheer joy & mystery of REM.

There are many who place the four members of the group Peter Buck, Bill Berry, Mike Mills & Michael Stipe into a pantheon of Rock and Roll gods and while they may

belong there, they are also as human as any of their fans. B4 the concert they talked, signed autographs, accepted tapes of garage bands, and even allowed a few humans 2 xperience their sound-check. These guys are Not dinosaurs.

This openness to the multitudes could all be irrelevent if they were Not the best American band of the 80's, but they are the past. While most modern bands are content 2-B

only as creative as their accountants allow, REM has returned 2 the muse herself, Rock and Roll. They have made music be-yond the convienent Byrds comparrisons and have be-come original unto themselves. Their EP, "Chronic Town" came out in 82 & they followed that w/ everyone's album of 83 "murmur". Their 84 album "Reckoning" is the 1st or second best album released so far this year. Indeed, this latest has struck a chord w/ the buying public and

reached 27th position on the Billboard Charts. REM represent the ability that AMERIKANS still possess, that is the art of Rocking.

"But, but what of the show Dale?"

Oh, OK yeah.

The songs played were eclectic. They did their 'hits' "Radio free Europe" & "South Central Rain", and they also did the Barney Miller Theme, Sloop John B, Televisions, See No evil & So you wanna be a Rock & Roll star? They even did a re-cap of Velvet Underground's Afterhours, But the high light of the

Nite was an Acapella version of "Moon River". A moment that that told the audience Not 2 - 4 get the grand heritage of R-N-R - a heritage that REM is a master of. Music 4 our generation? - Most definately, but also 4 all time! In that, it is among the best ever made.

XTASY & VENDETTA

IN THE EARLY EIGHTIES, AGAIN, THE SAFE 'N' SOUND POP EMPIRE REIGNED SUPREME. GRAYING EX-HIPPIES IN CHARGE PROCLAIMED "THE END OF YOUTH AS A MARKET". ONCE AGAIN WERE BORING AND GIGS, REPETITOUS. AT EVERY GATHERING THERE WERE THOSE CREDIT-CARD DANCERS, THE DISCO-GLITTERATI, THE CULTURE CLUB MEMBERS, THE BEATLE-BRAINS, SOCIALIST-SOCIALITES, BEARDED SATIN JACQUETEERS, ET ALL.

ROCK VIDEOS AND TELLY-TUNES, THAT WAS IT.

LONG AGONE WERE THE DAYS IN WHICH TEENAGE PUNK ARMIES, ALL DRESSED IN BLACK, MARCHED IN GROUPS OF HUNDREDS DOWN THE STREETS OF LONDON, FRIGHTENING BYSTANDERS ABOUT "NO FUTURE".

SLOWLY DOH. MONEY MANIPULATED THINGS INTO AN "ACCEPTABLE" SHAPE. SHARP EDGES AND CORNERS WERE ROUNDED AND "NEW-WAVE" WAS BORN. NO MORE PINHEADS, SKINHEADS AND SHREDDED PUNKS - IT WAS AS IF THEY NEVER EXISTED: THE DEVIL DENIED! FOR AWHILE IT SEEMED AS IF "TOP-OF-THE-POPS-STATUS-QUO" HAD WON - A TOTAL AND IRREVERSIBLE VICTORY! BUT...

SUDDENLY, IN THE MARASM OF COCKTAIL PARTIES VISITED BY BLOOMIES CUTESIES, WONDER-BREAD D.OLLIES AND SLOANE RANGERS - THE PRESENCE OF A NEW BREED OF MIDNIGHT MOHICANS STARTED TO BECOME MORE NOTORIOUS!

YES, THE BORING INNER-SANCTUM OF THE WARDLETTES AND COMMON MORTALS STARTED TO BE INVADED AGAIN BY THE LEGIONS OF DAYGLO LIVING DEAD!

IT WAS A NEW PLAGUE!

SKINS WHITER THAN SNOW... EYES TECHNICOLOR DARK!

AND ESTABLISHMENT STARTED NOT TO BE SO SAFE ANYMORE BECAUSE THOSE POST-APOCALYPTIC MEGA-TON RHYNOS WERE ACTUALLY <u>INVITED</u> TO THE PARTIES!

IT WAS LIFE IN THE STONE-COLD-CORPSE EVEN IF IT IS ONLY THE WRIGGLING OF A NEW BREED OF MAGGOTS!

THE THREE-PIECE-SUIT-SOCIETY EATEN FROM WITHIN!

A CLOCKWORK ORANGE THROWN IN THE FACE OF THE MOR (MIDDLE OF THE ROAD) CHIC! AND FROM THE GUTTERS, FROM FORGOTTEN RUSTY WASTELANDS, FROM THE BAT CAVES AND ASPHALT SWAMPS THEY KEPT CRAWLING OUT - BENEATH DENSE CLOUDS OF DRUM HEAVY

RHYTHM. THESE ABBERATIONS, THOSE WILD-SPIKY-AGENT-ORANGE-HAIRS, THE UNSPEAKABLE GARISH MAKE-UP-MASKS OF THE GRAVE NEW WORLD... AND... ANNOUNCING THIER ARRIVAL WITH HOWLING CHORDS LIKE BURNING OXYACETYLENE. WE HEAR THE LUSTY THRUSTY PASSIONATE NOISE.

A NEW DRUG? OR A NEW POISON TO STEAMROLL CHUBBY WELL-TO-DOERS?

SHOWERING FLASH BOMBS INTO THE SUB-CONSCIOUS!

THE DARK EMISSARY ROUND THE CORNER! THIER EYES GLOWING LIKE SPOTLIGHTS, STABBING THE NIGHT!

RADICAL, ENERGETIC, SCHIZOPHRENIC, FETICHIST MUSIC, WHICH ALLOWS NOTHING OF THE ILLUSIONS AND THE CONSOLATIONS OF HUMANS.
NIGHTMARE MUSIC, AND OF THE SUBLIME.
THE THOUSAND TRAVESTIES OF MORAL MAN, THE INSURRECTION OF SEDUCTION. AMBIGUOUS MUSIC, SUSPENDED BETWEEN CATASTROPHE AND REDEMPTION. IN ITS WAY, A NEW MYSTICISM, CONCIENCE OF ITSELF READY TO EXALT IN THE DRUNKENESS OF EXTASY.
NIHILISM EXASPERATED BY REVOLT, WHICH IS CONSECRATED TO NEW SATANIC RITES. RITES OF

ATONEMENT, OF OBVIOUS EXPIATION OF ANGER WITHOUT A NAME, OF OVERFLOWING FEAR.
THE MUSIC OF THIS OTHER STAGE, THIS OTHER DISGUISE BEYOND GOOD AND EVIL.
THE DISGUISE OF ART ITSELF.

SUSPENDED AMONG CONTRASTING IMAGES, FOR WHICH THE MUSIC RESSES ANY FOUNDATION IN TRUTH...

CRYPTIC STRENGTH IN DARK DECODING...

"THUS, IN THIS HALF ACCESSIBLE FRACTURE IS REVEALED-BUT DARKLY-THE FORGOTTEN DRAMA OF CENTURIES AGO: IT REAPPEARS, BUT DOES NOT COME OUT OF THE DARKNESS. IT UNCOVERS ITSELF AND COVERS ITSELF AT THE SAME TIME..."

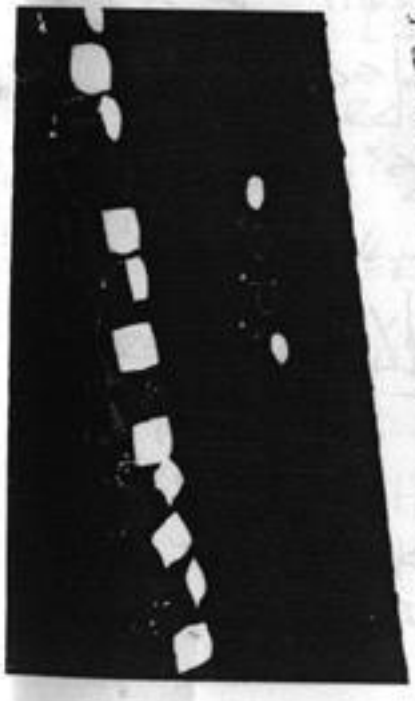
HENRY CURSES FIRST!!

* THE CURE at the MICHIGAN THEATER



THE CURE → 11/10/84 MICHIGAN THEATER

OH YES, AREN'T WE ALL GETTING SO BIG TIME (AND FILTHY RICH) THESE DAYS! FRANKIES GONNA DO THE SAME: NOW HERES THE MOST CLASSIC XPLOIT SINCE THE SEX PISTOLS, BUT I WON'T MAKE A STANK, AFTERALL I PAID THE 12.50 ALSO.

THEY BECAME MUSICIAN AT 'AROUND' 8, THERE WAS NO WARM UP BANK. MY TICKET SAID "DOUBLE N", I KNEW WAS A JOKE! HA! HALF WAY THRU THE 1ST SONG, "SHAKE DOG, SHAKE", I HAD ACQUIRED

MY FRONT ROW ACCOMODATIONS, TOO EASY! ALTHOUGH I PERSONALLY. WAS A BIT DISAPPOINTED W/ THE SHOW (ONLY CUZ THEY DELETED "LOVE CATS") THEY DID PUT FORTH AN EXCELLENT PERFORMANCE AND THE VOCALIST LOOKED LIKE T.A. (TONY ALVA). THE CURE PLAYED MOST OF THEIR MAJORS: THE WALK, LETS GO TO BED, CATERPILLAR, THE HANGIN GARDEN; BLAH, BLAH, BLAH. THEY USED A SMOKE MACHINE. THERE WERE 3 (COUNT 'EM), 3 SCREACHING NUDES SEATED NEXT TO ME, SO THE SPECIAL EFFECTS WERE IN THERE! (EVEN THOUGH THE ONE STILL HAD BRACES.)

OVERALL I thought they were a bit too PLANNED i.e. 4 ENCORES NO MORE, NO less, also somewhat over-glorified as it seemed only a job to them & Not much fun. The crowd liked them much & seemed pleased though & that's what counts ($) Right? Ain't that $ Right + Biff? $ Biff?
